

ACA | American Chaplains Association

Greetings,

I pray the beginning of the new year has brought you a renewal of hope and reflection of what is to come for 2023. God has placed opportunities, resources, and most importantly, people in our lives so we may sow in them as well as receive from them. As Christ lived, we are taught that a great leader is the greatest servant and with that calling comes seasons of training, respite, and continual reliance on the Lord and the community of His people.

In Galatians 6:2, it reads, "Bear one another's burdens, and so fulfill the law of Christ." And yet, the simplicity of this command can slip us up due to pride. We either say, "I can take care of this on my own" or "I'm too busy. I can't help you right now." Thankfully, with every new opportunity, there is grace to refocus on Christ's call for us to lead, serve, and receive.

For the new year, our partner American Chaplains Association is offering two trainings that will help us serve others:

American Chaplains Association Certification

4-month certification course

\$770 (4 monthly payments) or \$550 (paid in full)
